As you know, I am participating in the Canadian Cancer Society CIBC Run for the Cure on October 6. I still need help reaching my fundraising goal of **[INSERT GOAL \$AMOUNT]** and I'm hoping I can count on your support. Please donate and help change the future of breast cancer. It's easy, secure and every dollar makes a difference.

Where your money goes
Your donation will support the breast cancer cause at the Canadian Cancer Society and will continue to fund critical breast cancer research and initiatives, like:

- Enhancing the quality of treatment options like surgery, radiation and chemotherapy to give people with breast cancer safer and more targeted treatment plans
- Accelerating urgently needed research in young women diagnosed with breast cancer before the age of 40
- Providing support programs such as transportation services to help people facing cancer get to their essential

1 in 8 Canadian women will develop breast cancer in their lifetime. Let's promise to change that.

We're participating in this year's Canadian Cancer Society CIBC Run for the Cure to benefit the breast cancer cause. We're running in honour of all of the incredible women in our lives, and we need your help!

Please contribute what you can to our fundraising. Every dollar makes a difference and gets us one step closer to making breast cancer beatable. Your donation will fund innovative research to help save the lives of more women, and provide support programs to those affected by this disease.

Did you know that just \$100 could fund 2 hours of lifesaving research in a world class laboratory? Your contribution lead to the next breakthrough!

Together, we can change the future of breast cancer.

Thanks in advance for your support!
