Cancer screening is an important part
of a healthy lifestyle. Take **comfort** in
the knowledge that **screening saves lives!**

Early detection is the best way to prevent
colon, breast and cervical cancers.

To get information on screening and
to get involved in this campaign, find us at:

cancer.ca/getscreened **facebook.com/lgbtqgetscreened**

The Canadian Cancer Society's Screening Saves Lives
program promotes the importance of colon, breast and
cervical cancer screening in lesbian, gay, bisexual,
transgender and queer communities.
